Welcome to my Portfolio

Who Am 1?

Hii, I'm a Graphic Designer

About Me

My name is Yashika, and I am a final-year Computer Engineering student at Delhi Skill and Entrepreneurship University. I am a quick learner and highly adaptable in fast-paced environment.

I maintain a healthy work-life balance by playing badminton, listening to music, and participating in chess matches

Experiences

Enthusiastic and creative graphic designer with a solid foundation in frontend development honed through hands-on experience at Tech Mahindra Foundation and Kushal:Aide. I have also completed an UI designer internship at Kushal:Aide. Proficient in a range of design tools, including Adobe Express, Canva, and Figma, with a proven ability to manage projects from concept to completion.

Eager to leverage my design expertise and development skills to create impactful digital solutions for a company.
